at IMTS 2018 to See GCH Tool's Values
and Innovations in Action

VALUE. SERVICE. INVENTORY.

We're delighted to exhibit at IMTS 2018. This important event will be held at McCormick Place in Chicago, from Sept. 10 - 15. We'll be looking for you in booth 237323 (North Hall - Grinding Pavilion—see our booth location on the map below).

Visit GCH Tool Group at IMTS and learn how our latest upgrades and enormous inventory of **new spare parts and components** can turn your grinding machines into even more profitable grinding marvels.

- See hands-on demos of our **new two-axis CNC dresser** and learn how this exclusive GCH upgrade will improve your process and save you money
- Consult with our in-booth grinding whizzes and learn how to cure even the most troublesome grinding headaches
- Discover how our multimillion inventory (10,000 parts!) can save you time and cash
- Explore the latest trends in grinding technology
- Learn how our **control retrofits** can turn your grinding machine into a profit center

Connect with our industry experts to discuss your current grinding challenges and future goals. Whether you need a spare part or component or want to establish or improve a process or simply need advice, we would love to discuss our complete array of [grinder solutions](#) including [replacement components](#), [upgrades](#) (cutting edge!), [grinder spindles](#) and [tooling](#). Be sure to ask about control retrofits.
