New Spindle Division

GCH Tool offers the world’s largest and most diverse inventory of grinding spindles. With over 4,000 spindles in stock, we can quickly ship parts for well-known grinder brands, such as Cincinnati Milacron, Landis, Norton, Koyo, GKN, Gold Crown, Bryant, Brown & Sharpe, Heald, Fischer, Gardner, Besly, Giustina, Setco, Makino, Okamoto, Okuma, Chiron, Mori Seiki, Pope, Excello, Parker Majestic, Van Norman, Warner & Swasey and others.

Let GCH Tool assist you with:
- ID grinding
- Double-disc grinding
- Surface grinding
- Centerless grinding
- CNC router
- Tool post grinder
- High-frequency
- Motorized
- Belt-driven
- Hydrostatic
- Hydrodynamic
- Deep-hole grinding (up to 150” long)

Immediate delivery of most grinding spindles

Each spindle runs for a minimum of eight hours on specially designed test stands
