**Grinder Experts to Exhibit in Booth 951 at Westec 2017**

WARREN, MI (June 7, 2017) -- Grinding experts from GCH Tool Group will be on hand to discuss grinding applications and challenges at the Westec trade show in Los Angeles, from September 12 - September 14.

With expertise in the leading centerless grinder manufacturers - including Cincinnati, Blanchard, Bryant, Gardner, Heald and Landis - GCH Tool Group is an industry leader among suppliers and remanufacturers of new replacement parts and components for centerless, ID, OD, double disc and surface grinders.

"We have been successfully helping customers improve their grinding operations longer than any other supplier. Since we first cut our teeth on grinding applications over three decades ago, we've been fully focused on the improvement of customers' grinding operations," said Dan Geddes, president of GCH Tool Group.
