### **GCH Tool Group Announces Website Relaunch**

WARREN, MI (December 16, 2014) - GCH Tool Group, the world's largest supplier of new spare parts, components and assemblies for centerless, ID, OD, double disc and surface grinders, is pleased to announce the relaunch of the company's website. The new site can be found at <http://www.gchtool.com/>.

To showcase the GCH Tool Group's ever-growing inventory, the website redesign features easy and intuitive navigation. Along with the ability to browse the company's extensive product catalog, the new image-rich website offers improved elements including descriptive photos, concise and clearly written content and a new and modern layout.

"We know that for many manufacturers, a visit to our website is their very first encounter with GCH Tool. It is important for us to have a website from which people can get a sense of our huge inventory and expertise and easily find the information they need," said Dan Geddes, GCH Tool Group president.
